

# BASE – Biberbau Jugendgruppe

## *Who we are:*

We are the BASE. This is the Biberbau's youth group. That means: We are a group for young people between the ages of 12 and 27 years. We meet every Wednesday (except during school holidays) between 4 and 6 p.m. at the Biberbau.

The Biberbau is an adventure playground for children. You can also do a lot of cool things there as a teenager. The Biberbau is closed to all other visitors on Wednesdays. That means we have Biberbau all to ourselves during our group activities.

## *What we do:*

In the group activities, we spend a lot of time on the Biberbau's site - that is, outdoors in nature. We get creative, build something out of wood, play games or make a campfire and eat twist bread. We often sit around the campfire, talk and make music together. The BASE does what it feels like doing. So bring your ideas and wishes into the group activity and we will implement them together. Sometimes we also plan cool workshops and other activities.

There are no limits to our possibilities and options!

## *How can I participate:*

If you are between the ages of 12 and 27 years, you can visit us at any time during one of our group activities. Then you can decide whether you want to join us. You can also have a look at our Instagram and Facebook accounts beforehand. This will let you see what we do. Please feel free to contact us if you have any questions. We look forward to your visit and to meeting you.

Kind regards from BASE ☐
