

THW-Jugend Wiesbaden e. V.

German Federal Agency for Technical Relief

THW-Jugend
spielend helfen lernen

Description of the local group:

Learning to help by playing - this motto describes with three short words the aims of the THW Youth Wiesbaden.

The THW-Jugend Wiesbaden e. V. is the youth section of the Agency for Technical Relief/Technische Hilfswerk (THW) in Wiesbaden. THW is the German civil protection and disaster relief organisation. THW helps, for example, when there are storms, floods or accidents. We are an independent, registered association. Children and teenagers from 6 to 17 years of age are very welcome to get to know THW. Our task is to promote youth welfare and to introduce children and teenagers to the tasks of the technical relief. In this way we convey to them what is important in technical and humanitarian aid.

Who we are:

We are a youth group with about 30 girls and boys aged of six and up. Our goal is to impart knowledge in a playful way.

You will learn to help others with technology and expertise. With us you get the opportunity to try things on your own and to take part in decision-making. Boys and girls are equally welcomed and children with special needs are also gladly welcomed.

What we do:

We usually meet on two Saturdays per month. The youth group between the ages of 10 and 17 meets between 9 a.m. and 2 p.m.; younger children between the ages of 6 and 10 meet between 2:30 and 4:30 p.m. There are regular leisure activities during the holidays. There is also the possibility to participate in seminars and workshops.

Are you looking for variety, real adventure and guaranteed fun? We have exciting experiences with modern technology and a community in which team spirit is very important. In the THW Youth you get to know different ways to do knots, you can try out many tools and devices and you learn how to use them.

Are you interested in eventful days in a tent camp or with leisure activities, friendships even across borders? This is also guaranteed with us!

How can I participate?

If you are interested in technology, want to help others and hope to experience new adventures in a great team, you have come to the right place. You can contact us and then simply come and take a look at our group activity. If you like it, you are welcome to become a member of the THW Youth.

Membership is 24 euros per year and of course you get your THW clothing for free!
