

Birds of Pride

Who we are:

We are Birds of Pride, the LGBTQIA+ - youth group in Wiesbaden. In addition to our adult association, Warmes Wiesbaden e.V., we want to offer a safe space especially for young people aged 14 and 27 years to get to know each other, exchange ideas, solve problems with their sexuality or identity if they have some or just to have a good time with like-minded people.

We want all members to feel comfortable and be themselves. Respect and empathy are very important to us. The youth leaders, the teamers, are also active participants in the group lessons. The goal is to create a friendly atmosphere that extends beyond the group meetings.

Within the queer community as well, we stand for openness, communication and acceptance. A safe space is created by trust, therefore reliability and being there for each other are important to us.

What we do:

So far we are meeting every two weeks on Thursdays for a group meeting lasting about 2 hours, from 6:00 p.m. to 8:00 p.m.

We offer group lessons, some of which are educational, but fun and fellowship are always in the foreground. The choices for individual activities can and should come from within the group.

Past activities have included: game evenings, collecting ideas for our group name and logo, a mulled wine stand at one of the "Let's Go Queer" parties in the Kesselhaus, cooking and baking Christmas cookies.

How you can participate:

The youth group is open to anyone aged 14-27 years. The offers are oriented to the LGBTQIA+ - community and its friends. Just contact us if you wish to join us ☺
